YOURSELF

"HAVE" A  
wonderful  
DAY!

Don't  
Worry  
BE HAPPY

You can even keep a bowl of these in your **staff workroom** to encourage kindness among staff!

They can be picked and given to individuals / put in their pigeon hole or just taken and kept for positive vibes.

## COLORING COMPLIMENT NOTES

They can be scattered and hidden in **students' desks**, on their **lockers**, inside **library books** and any other remote places that students might find them, thereby offering them some encouraging words of kindness which they can color and keep.

## COLORING COMPLIMENT NOTES

Cut and pin a range of these notes on a bulletin board for students to **take for themselves** or share with another student. The idea is that they can **end up all over the school** lifting spirits of students and staff.

## COLORING COMPLIMENT NOTES

You could also hand out notes to students to color and then write **personal notes to others** on the back of them. They can be given to students to keep or even pinned to a **public bulletin board** inspiring a whole school kindness campaign!
