I CAN
always
count on you

Your
friendship
brings me
joy & happiness

A FRIEND
like you
is
HARD to find

You can even keep a bowl of these in your **staff workroom** to encourage kindness among staff!

They can be picked and given to individuals / put in their pigeon hole or just taken and kept for positive vibes.

FRIENDSHIP COLORING COMPLIMENT NOTES

They can be scattered and hidden in **students' desks**, on their **lockers**, inside **library books** and any other remote places that students might find them, thereby offering them some encouraging words of kindness which they can color and keep.

FRIENDSHIP COLORING COMPLIMENT NOTES

Cut and pin a range of these notes on a bulletin board for students to take for themselves or share with another student. The idea is that they can end up all over the school lifting spirits of students and staff and encouraging friendships to blossom!

FRIENDSHIP COLORING COMPLIMENT NOTES

You could also hand out notes to students to color and then write **personal notes to others** on the back of them. They can be given to students to keep or even pinned to a **public bulletin board** inspiring a whole school friendship campaign!

FRIENDSHIP COLORING COMPLIMENT NOTES

You could use these to set up a "Friendship Club" and send your members on a mission to color in these notes then spread compliments and joy to others around school! They could hide them around school or just issue to people at random in the hallways!
